

# Pets can be unpredictable. Their coverage shouldn't be

Aflac Pet Insurance

POWERED BY **trupanion**<sup>™</sup>

For organizations with 1,000+ members

Two of the biggest names in insurance — for people and pets — have partnered to offer an employee benefit that gives furry family members protection from unexpected veterinary expenses.

Aflac provides financial protection to more than 50 million people worldwide, and for more than 60 years Aflac insurance policies have helped customers focus on recovery, not financial stress.<sup>1</sup> Trupanion, medical insurance for pets, has over 20 years of experience protecting pets in the U.S., Canada and Australia from unexpected injuries and illnesses — with over 600,000 pets insured.<sup>2</sup>

**Our new pet insurance offers three distinct plans to give employees the flexibility to choose the perfect fit for their family.**

## Pet Owner Support Rider

Employees who enroll in either Basic or Unlimited Accident & Illness policies can add a Basic or Premium Pet Owner Support Rider. These riders cover additional pet care and wellness expenses such as vaccinations, flea and tick prevention, boarding and even the cost of health certificates for international travel.

## Powered by Trupanion

Two decades of experience and over \$1 billion paid in claims have given Trupanion expertise in helping protect pets. Aflac Pet Insurance, powered by Trupanion, policies are backed by:

Patented software that can pay veterinarians directly at the time of checkout.\*

24/7 member support.

Territory Partner support nationwide to boost uptake, help educate veterinary professionals, and support members when needed.

## Easy enrollment

Aflac and Trupanion have made enrollment easy for employees without adding stress to Human Resources.

- ✓ Year-round enrollment outside the benefit administration platform also available.
- ✓ Simple setup for automated payroll deductions.
